1 Objective

The objective of this policy is to list the different types of allowances applicable for working beyond the normal working hour or normal shifts.

This policy document is applicable from 1st Aug 2021

2 Scope

- This policy applicable to the regular employees working out of ValueMomentum India office till M2 Grade.
 - This policy does not apply to associates working at client locations (India) and Contractors.
 - The purpose of the policy is to provide employees with basic facilities and hardship allowance for the varying shifts working other than “Normal working Hours”. The daily Normal Working Hours are from 10:00 AM to 7:30 PM, with the work week extended from Monday to Friday
 - Food Reimbursement, Cab facilities, Petrol/Travel allowance are not available when working remote.
-

3 Types of Allowances

The amount of the allowances payable to each eligible associate will vary depending on the different shifts and the Working group they belong to (Enterprise Business, V8, Corporate)

- Late Working
 - Holiday Working
 - Production Support (24*7/24*5/16*5/16*7)
 - Temporary shift/ Night Shift
 - Fixed Night Shift
 - On call Allowance
-

4 Process Elements

4.1 Late Working

- Late working allowance is applicable for Employees who are working beyond 9 PM provided they have spent more than 11 hours in office.

- Late working allowance includes food reimbursement of up to Rs. 250/- and One way Cab allowance subject to prescribed limit is applicable only if the employees work beyond 11 p.m. IST. For women in the team, one way cab allowance will be applicable if they work beyond 9 P.M. IST.

KM Range	Reimbursement limit
Up to 10 kms	300 INR
Up to 20 kms	500 INR
Up to 30 kms	800 INR

- If self-arranged, employees will have to follow the reimbursement process to claim the expense
- Food reimbursements should be claimed through the reimbursement process by employees, refer Annexure- 2 at the end of this document for reimbursement form

4.2 Holiday Working

- Holiday working refer to work performed on Saturday, Sunday or company declared holiday for full day during Normal Working Hours
- If the employee works for full days on the weekend, they will be eligible for Rs. 250/- food reimbursement and a Compensatory off
- For the customer billed effort in the project, instead of compensatory off employees will be eligible for weekend allowance of Rs. 1500/- and a food reimbursement of Rs. 250/-.
- Employees are eligible for only 7 compensatory offs in a year
- Compensatory off shall be utilized within 3 months from the date of weekend work.
- Production Support associate will have a limit of 12 comp offs in a year and unused comp offs within 90 days will be converted into Earned Leaves and will get added to the associates EL Balance. Overall limit of EL's is restricted to 30 days.

Process of availing comp off under holiday working

- All Comp Off cases, associates should submit their 'Weekend Work Plan' in the portal either before the working day or within 1 week from the working day.
- Comp off will be credited based on approval from Manager or by biometric entry and presence in the office for minimum of six hours.
- Comp Off raised after one week from the holiday working day will not be allowed

- Food reimbursements should be claimed through the reimbursement process by employees, refer Annexure- 2 at the end of this document for reimbursement form.

4.3 Production support shift allowances
